

MAINTAINING PROTECTION

Through Archangel Michael's Invocation

Beloved and respected Archangel Micheal,

I ask you and your helpers to come to me now.

Please cut away and release anything that is draining me.

And destroy all negative and toxic energies engulfing me.

Surround me with your purple, blue and violet healing lights.

Help me to lift my energy to its natural state of vitality now.

And so it is !

Thank You !

MAINTAINING PROTECTION Through the 4 Archangels

Archangel Micheal to my right, to protect and enhance my masculine energies,

Archangel Gabriel to my left, to protect and enhance my feminine energies,

Archangel Raphael at my back, so that his wings may cover me from all evil and help me to remain healthy and

Archangel Ureil in front of me to open my ways and to shower upon me the glory of the Lord, now and forever more! Thank you!

MAINTAINING PROTECTION

During times of despair

(Feel free to change it as per your beliefs and wishes.)

Hello Ganeshji OR ____

I depend on you.

I have all the power of my own only through you.

When things are going well for me, I know they have come from you and through you.

In my trials and tribulations, I rely on you.

In my temptations, I trust in you.

My success is in your hands and so is my life.

I do all that I do, only through you and with your blessings !

Thank you for shielding me, protecting me and saving me, now and forever !

Thank you.

MAINTAINING PROTECTION Of the 6 aspects of Life

Beloved and respected Universe,

I have made mistakes in how I have treated my human resources in the past and I ask that all effects of these mistakes be undone and forgotten in all directions of time and space by myself and everyone involved.

I ask the Universe to heal my Soul, my spiritual field.

I ask the Universe to heal my Mind, the house of my beliefs.

I ask the Universe to heal my Heart, the seat of my emotions.

I ask the Universe to heal my Body, the abode of my soul.

I ask the Universe to heal my Food, the building material of life.

I ask the Universe to heal my Space, my living and working area.

And so it is ! Thank You !
