

PLANETARY THERAPY

NW

N

NE

I bow to you, the Moon, and request you to grant me enough fame to be known for the work I do and a fructification of all my desires combined with excellent physical health, strong mental stability and powerful emotional balance.

I bow to you, Mercury, and request you to grant me speed and communication in all my undertakings, my technological growth, luxurious travels and above all, the experience of fast and quick and ultimate material prosperity in all its forms.

I bow to you, Guru Jupiter and request you to grant me divine knowledge to develop my will power, determination and intellect so I can access and enjoy a peaceful fortune, joyful luxuries, continuous good luck, an abundance of money and a blessed destiny and lineage.

W

I bow to you, Lord Saturn, and request you to grant me an abundance of food and all living essentials, welfare related materials for all pets and animals, an understanding of religion and truth and above all, my overall growth and stability.

I bow to you, the Source of all life and request you to grant me a firm grounding, a strong centering and a smooth and easy flowing prana to heal the potency and the perspective of my life.

I bow to you, the Sun, and request you to grant me name and fame, reputation and social standing, power and leadership, purity and exclusivity and above all, a clear vision and clarity for my life.

E

I bow to you Uranus and request you to grant me safety, security, stability and protection of my work, assets and possessions.

I bow to you Neptune and request you to provide me a long life of a ripe old age filled with overall mental and material happiness and peace, excellent physical health and the security and safety of my progeny (lineage).

I bow to you, Mars, and request you to grant me a long and healthy life full of courage, strength and bravery, the experience of a companionship till a ripe old comfortable age and above all, blessings for all the properties I use in this lifetime.

I bow to you Venus and request you to grant me domestic bliss, a fulfilling marriage, a well consummated sexual life, all luxuries of life and to clear my karmic cycle leading to overall happiness.
