

Ancestral blessings for Housing and Accommodation

Beloved and respected forefathers and my ancestors of our lineage,

I am thankful to you for giving me clear guidance and signs in this physical world that I am able to easily notice and understand.

I am grateful that you are blessing and providing me with the necessary material, emotional, financial and physical resources including time, energy and money in this physical world so that I can easily receive and experience everything that I require for my housing and accommodation needs.

I thank you for clearly guiding me to my wonderful new home/shop/office/factory/plot that is most suitable, beneficial and favourable for me and my family and that we can easily afford in the most easily accessible location best suited for our highest good.

And so it is!

Thank you!

Ancestral Vow Clearing

Today I willingly and lovingly release myself from any kind of vows (mannat, saugandh, navas, shapath, zabaan, promise, kasam, oaths) that any of my ancestors must have made knowingly or unknowingly in many lifetimes and forgotten to fulfill them or complete them or must have left anything incomplete.

Also, from today I am ready to be mindful of every word I speak and use to describe my ancestors so that it leads to my freedom from any kind of vows made by them.

I am ready, willing and in the process of being independent, prosperous and abundant in all areas of my life and so I dissolve and release all such incomplete and/or destructive and/or bondage vows that they may have made in this or any other lifetimes.

I ask my Guardian Angels and/or Maa Kaali that you completely sever, undo and untangle me from any such binding vows of unworthiness, low confidence, poverty, self-denial, low self-esteem or self-destruction.

I ask and pray that all effects of these vows, now and forever, be undone, cancelled, cleared & deleted spiritually in all directions of time and space for myself and for everyone involved.

And I am free !

The ancestors are free !

And we are free !

And so it is !

Thank You !

Touch belly button and read loudly 7 times.

Ancestral Belief Release

Would you be willing to release yourself from the construct of ancestral belief ?

Go ahead and say loud :

“In the name of the SOURCE, and all that is love, light and truth, by the law of Divine Grace, I (state your full name) now release myself from all beliefs of my ancestry of all times. The truth is, all belief was here before I got here. Therefore it is not mine, has never been mine, and will never be mine. I am aware of the construct of belief within the collective consciousness of my lineage. I get to create and live as per my own experiences and select and take only the best life lessons from my forefathers. Everything that is not required for furthering the growth of our DNA, I now leave it and release it lovingly and harmoniously.

And I am free!

They are free!

We are free!

(1) 3 times while touching the third eye.

(2) 3 times while touching the belly button.

Akashic Ancestry Clearing

(1) I am willing to release all types of past and present existing ancestral curses, hooks, promises, vows, soul contracts and forced commitments from my DNA, lineage and ancestry today. I willingly and lovingly let go of them into the void of this infinite universe where they are amalgamated with the cosmic pure and white light of love and truth.

(2) Today I willingly seek Divine Mother Earth's help in clearing and healing away any form of known and unknown fears and anxieties from my present lifetime and all other previous lifetimes of myself and my ancestry so that I may live fearlessly and concentrate properly upon my present life purpose, core purpose and soul purpose.

(3) Today, I ask and seek freedom from all negative relationships existing in my family line through ages and pray to receive harmony and peace in all my relationships with every member of my lineage and to help all of us to release any aspersions, objections, projections, criticisms and judgements and to see and receive forgiveness and have kindness and compassion for one and all.

Note - Practice the 3-3-3 formula for this.
